

The Hope Monument Project

My name is Tina and I am the founder of Garden of Hope Ministries. My husband, Mark and I come from a faith family called Good Shepherd Community Church. It is where they keep in obedience to share the **Good News** and I heard it and got saved at the age of 36 in 2007. **The Holy Spirit picked me up off of the dirty ground of my sin and breathed life into me.** From that point on, I wanted everyone to know Jesus. But, I didn't know how to share the Good News that saved me. So, I prayed and asked God to help me learn how to share it. I also prayed that He would help me to see my sin. Through Good Shepherd's faithfulness to uphold the sanctity of human life and the Holy Spirit, my abortion and deepest secret from over twenty years ago came to light. That was difficult! **Jesus opened my eyes that I had a child in Heaven** that I didn't know how to talk about. Then, I was led to a post-abortion healing ministry and Bible study that helped me realize that **I was not alone** and I could share about my dark past. Because God is good to forgive, heal, and cleanse as we confess; It was through that personal experience that the LORD God became my most intimate God and Father. And, he answered the prayer - I can share the bad news of the world's sin and the **Good News** that Jesus is Savior and died for it all!

He is the atoning sacrifice for our sins, and not only for ours but also for the sins of the whole world. 1 John 2:2

I also learned how to talk about my unborn child. This was huge! **I needed to grieve my loss.** God brought freedom through this healing but also gave a burden to help stand up and be a voice for our most vulnerable and forgotten people group made in God's image - precious preborn babies.

Also, because of knowing His compassion and comfort, our ministries extend it to others.

Blessed be the God and Father of our Lord Jesus Christ, the Father of mercies and God of all comfort, who comforts us in all our affliction, so that we may be able to comfort those who are in any affliction, with the comfort with which we ourselves are comforted by God. 2 Corinthians 1:4

Thank you for allowing me to share my story.

Now, we invite you to participate in this very meaningful, personal, and Christ-centered hope monument project! It is our desire the project helps bring honor and dignity to the children lost too soon from this earth. In addition, a goal is to help minister healing for moms, dads, couples, and families in need of freedom, closure, comfort, or hope related to their losses.

Come to me, all who labor and are heavy laden, and I will give you rest. Matthew 11:28

It is not the statue in itself that will help, but the picture and truth that it offers about God and how the Spirit moves! It is a visual display of hope from our Heavenly Father and that He is full of grace and compassion through trusting in Jesus Christ as Savior.

And, that He is truly holding all of our precious babies in Heaven that left this earth too soon!

So now there is no condemnation for those who belong to Christ Jesus. Romans 8:1

Like the monument portrays, Jesus wants to hold our hands and look each of us in the eyes and say, **"I see you. - Genesis 16:13 I know you. - Psalm 139:1-4 I love you. - John 3:16"**

Please join Garden of Hope Ministries in raising the final amount of funds of \$16,000 to bring this monument to the Pacific Northwest! Over 40 of them have been placed in the U.S. and abroad.

This will be the first one located in our area. Questions, call Tina at 971-319-3195.

We invite businesses, churches, or people with the gift of giving to donate generously up to \$8000 dollars to meet half of the fundraising. And, we **invite up to 80 people to give \$100** or more to match the \$8000 with a **total goal of \$16,000**. We trust this project to provide several of God's people an opportunity to participate in what He is doing to bring and extend gospel hope!

Some of you have already contributed!

Will you join us and give and invite ten others to help meet the goal in 30 days!

The end goal date is Sept. 4th, 2026!
